

Sometimes we need make to make a fresh start and to spring clean our behaviour....so lets get this sunflower really glowing.....

In the centre write a (V) value, and on a petal write when this (VS) value was seen e.g's:

(V) Kindness, (VS) Bob helped Joe with his shoelaces

(V) Listening (VS) Jane did what dad said the first time he asked her

(V) Patience (VS) Mum helped Freddie tidy his room.

See how many petals you can fill and show us at Messy Church in June.
