

January 27<sup>th</sup> 2019

The United Church of St Mark is a congregation of Anglicans and Methodists worshipping and serving God together.

Welcome to all visitors in our church today. We hope you enjoy being with us and will want to join us regularly. Do stay for coffee after the service. If you are attending a Communion service you are welcome to receive the bread and wine with us.

No collections are taken at St. Mark's. Please place any offering you may wish to make in the plate at the back of the church either before or after the service. Facilities for regular giving are available. If you are a taxpayer please use the white envelopes at the back of the church to make a gift, and provide your details on the envelope to enable St Mark's to reclaim tax on your gift.

**COLLECTION FOR THE MANNA SOCIETY** Over the past 5/6 years many of you have been great supporters of what has now become an annual collection for The Manna Society who run a wonderful day centre for homeless people living near London Bridge. You have been most generous in your donations of unwanted men's clothing, towels, sleeping bags, dried foods and everything in between for a cause which, sadly, has become even more high profile on the streets of London and indeed other cities and towns throughout the UK.

The Manna centre is open seven days per week, 51 weeks of the year, from 8.30 in the morning offering breakfasts, lunches and a continuous supply of hot drinks. The chance to have a wash, a shave and a shower is greatly welcomed - soap and towels are provided. The clothing store is open for a change of clothes and sleeping bags are offered out as and when available. In spite of their inevitably high health risks, homeless people find it difficult to get registered with a doctor, especially in central London. The Manna offers two nurse practitioner surgeries a week, a fortnightly chiropody service, a chance to talk with a mental health team and an osteopath clinic every week. Advice is also available every day on housing and welfare. The centre runs almost entirely on donations and the band of volunteers who give freely of their time at the centre are truly wonderful people.

Given the freezing temperatures outside right now, it seems timely to start this year's collection slightly earlier than usual so we can get any donations up to London sooner rather than later. To that end, if you are having a New Year sort out of your cupboards and larders, we will happily transport anything you think could be of use to the centre in their valuable work. The current most needed items are as follows;

<b>Men's clothing</b>	<b>Miscellaneous</b>	<b>Food</b>
jeans/trousers	sleeping bags	Tinned meat (ham/corned beef/hot dogs etc) for soup making
underwear (nearly new and clean please)	towels	Tinned vegetables for soup making
socks	toiletries	Rice
trainers/boots	toilet rolls	Pasta sauces
jumpers		Fruit squash
warm jackets		Coffee
		Sugar
		Powdered milk

The collection will run from now until the last weekend in February. You can bring your donations to church or leave on the doorstep of 53 Downs Wood, KT18 5UJ or at Tattenhams Community Library marked up for the attention of Lesley Beard.

As always, thank you so much for your continued support for this wonderful centre and the marvellous work they do with some of the most vulnerable members of our society.

With sincere thanks and best wishes,  
Lesley
